Paroles et traduction

When the sun had left and the winter came
Quand le soleil s'en est allé et que l'hiver est arrivé
And the sky thought to only bring the rain
Et que le ciel n'a pensé qu'à amené la pluie
I sat in darkness, all broken hearted
Je me suis assis dans l'obscurité, le cœur brisé
I couldn't find a day I didn't feel alone
Je ne pouvais trouver un jour où je ne me sentais pas seul
I never meant to cry, started losing hope
Je n'ai jamais eu l'intention de pleurer, j'ai commencé à perdre espoir
But somehow baby you broke through and saved me
Mais d'une façon ou d'une autre, chérie, tu es arrivée et m'as sauvé
You're an angel, tell me you're never leaving
Tu es un ange, dis-moi que tu ne partiras jamais
Cause you're the first thing I know I can believe in
Parce que tu es la première chose en laquelle je peux croire
You're holy, holy, holy, holy
Tu es sacrée, sacrée, sacrée, sacrée
I'm high on loving you, high on loving you
Je suis fier de t'aimer, fier de t'aimer
You made the brightest days from the darkest nights
Tu as transformé les nuits les plus noires en journées les plus lumineuses
You're the river bank where I was baptized
Tu es la rive du fleuve où j'ai été baptisé
Cleansed from the demons, that were killing my freedom
Nettoyé de mes démons qui tuaient ma liberté
You're an angel,
Tu es un ange,
